

Escaping the Excuse Trap*

by Debra Youngblood

There is no language so universal as music—unless it is *lingua excusa!* This sly saboteur snags students of every musical culture, genre, style, and level of accomplishment. Through myriad dialects it whispers one unified message, “Camouflage for avoidance!” What’s a teacher to do? How do you unlock the cage? **Escaping the Excuse Trap** will point the way to truth, freedom...and excellence!

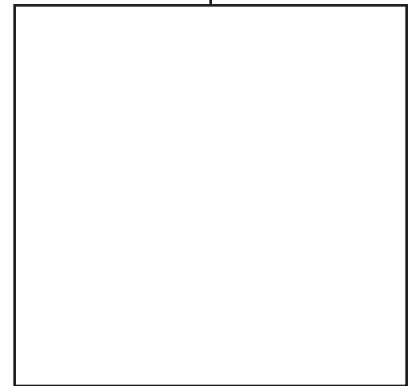

1 - Expose Common Excuses

Distinguish legitimate reasons vs. lame excuses.

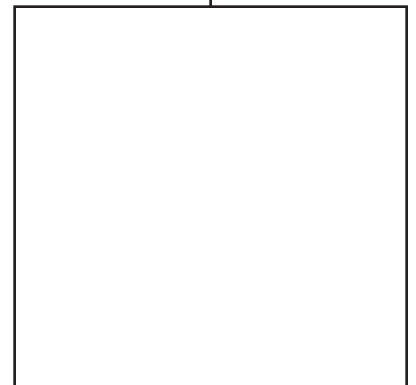

2 - Decipher True Meanings

Hear beyond the words and see beyond the symptoms...

Common Excuse

True Meanings

3 - Face Musical Challenges

Challenges grow smaller and weaker when examined.

4 - Conquer w/ Productive Solutions

Productive solutions put into practice open the way of escape.

5 - Move on to Excellence!

Change direction and escape to excellence...and success!
