National Flute Association**

Founded in 1972, the National Flute Association (NFA) was formed to encourage a higher standard of artistic excellence for the flute, its performers, and its literature. Today, with 6,000 members from all 50 states and more than 70 countries, the NFA includes leading soloists and flutists in major orchestras, college and university professors, adult amateurs, and students of all ages.

The Endowment is vital to fulfilling the mission of the National Flute Association and supports compelling new music commissions, historical recordings, special publications, and scholarships and competitions.

Your support helps ensure that the NFA can continue to provide the highest level of service to its membership and assures the next generation of a strong, vibrant, creative organization, dedicated to bringing inspiration and enrichment to the flute world.

Keeping the NFA financially secure is a responsibility we all share. Please consider making a tax deductible gift to the NFA Endowment. You may designate your contribution to any of these funds:

- **General Endowment Fund** – used for special projects to be determined by the NFA board.
- **Frances Blaisdell Memorial Fund** – provides a scholarship for a high school or undergraduate student with financial need to attend the convention.
- **Myrna Brown Memorial Fund** – provides a scholarship to international artists from developing countries to attend the convention.
- **David Hart Memorial Fund** – provides prizes for the Baroque Flute Artist Competition.
