FEATURES

- 18 **Debussy's *Syrinx*: Mystery, Myth, and a Manuscript**

by Carla Rees
The prolific composer has created works for a spectrum of media and instruments—ranging from percussion ensembles to opera to alto and bass flutes—and in a variety of styles, from the avant-garde to “that wonderful gray area between tonality and atonality.”
- 36 **An Early American Family of Flutists**
by Wendell Dobbs
English emigrant Edward R. Riley and a dynasty of flute makers, performers, and publishers contributed to the thriving musical environment of a young United States.
