FEATURES

- 18** **Regarding *Scrivo in Vento*: A Conversation with Elliott Carter**
by Patricia Spencer
Considered by many to be America's greatest composer, Elliott Carter celebrates his 100th birthday this year, and will be honored at the 2008 NFA Convention in August. He is interviewed by Patricia Spencer, who premiered his *Enchanted Preludes* and has recorded *Scrivo in vento* as well as other Carter chamber works.
- 30** **Why Good Enough Beats Best: Or, if they were so clever, why weren't they rich?**
by Robert Bigio
Many ingenious inventions of the 19th century were, perhaps, a little too ingenious. A flute maker and the editor of the British Flute Society's *PAN* magazine explains why.
- 36** **Gareth Farr's *Kembang Suling***
by Rachel Chako
Balinese, Japanese, and Indian music comprise the three movements of an East-West composition often referred to as "Three Musical Snapshots of Asia."
