

# FOLKERS & POWELL

Makers of Historical Flutes ♦ Hudson NY, USA

\*For the key, a blackened circle means the finger DOES NOT press on the key.

## Fingering chart for a Denner flute

The chart displays two musical staves, each with 24 notes. Below each note is a fingering diagram consisting of five circles representing the fingers (thumb, index, middle, ring, pinky) and a key symbol (black dot for pressed, white circle for not pressed).
