Technical Director, NFA Virtual Convention 2021

The National Flute Association (NFA) was founded in 1972 as a common ground for flutists to exchange ideas and inspiration and has expanded in the decades since to include a quarterly magazine, an annual convention, and a dynamic assortment of scholarship programs, commissions, and member-driven initiatives. The NFA values and celebrates the contributions of all its stakeholders and is committed to growing as a diverse and equitable organization.

The NFA Convention is a unique annual convening of more than 3,000 flutists from around the world who come together for performances, masterclasses, thought-provoking discussions, and workshops.
