

Index to The Flutist Quarterly, Vols. XVI–XLV(45)

Prepared by Marilyn Bliss

Explanatory Note: Names of authors of articles are in CAPITAL LETTERS; subject topics are in **boldface**. Page references are indicated as follows: volume/number:page. For instance, XXV/2:32 refers to volume XXV, number 2, page 32. Volume XVIII/3–4 was a combined issue, and Volume XXIX/1 was mislabeled as XXVIV/1. It has been treated in the index as XXIX/1. Starting with Volume XXXIX, the printed volume numbers have changed to Arabic; to preserve consistency, they will be treated parenthetically, *i.e.*, XXXIX(39). The coverage scope of this index does **not** include in-depth indexing of news columns such as **High Notes** (only the column titles themselves are indexed) or of specific convention activities. For indexes of convention activities, please refer to the annual convention volumes. Advertisements are excluded from this index, but an advertisers' index can be found at the back of each Flutist Quarterly issue.
